

## Bicycle Tours in Italy: Cycling Puglia's White Villages Plus! the Salento

### OVERVIEW

Beautifully situated on the Adriatic Coast between the spur and heel of Italy's "boot" lies Puglia. Nestled against the brilliant blue of the Mediterranean ancient Greek and Italian cultures mingle among hillside vineyards, olive groves, and whitewashed villages. Join us as we begin our bicycling journey in Matera, a world renowned UNESCO World Heritage Site, where dwellings carved into limestone caves create an enchanted and ancient stone city. We'll pedal east toward Alberobello, another UNESCO World Heritage Site, through a landscape filled with unique conical shaped dwellings known as trulli. Continue to the striking "Città Bianca" or "White City" of Ostuni before heading south to Grottaglie, famed for its ceramics, and the important coastal towns of Gallipoli and Otranto where you'll revel in impromptu stops at some of the beautiful beaches that attract visitors from all over Italy. Our final stop brings us back inland to Lecce, the baroque Florence of Southern Italy where palatial streets welcome us. Along the way you'll enjoy meals prepared with Italian, Greek, and Middle Eastern influences and discover the warmth and hospitality of Southern Italy's friendliest people.

If this sounds great but you prefer a shorter ride check out the 7-day [Cycling Puglia's White Villages](#).

### Welcome to Matera

**Highlights** Welcome drink, bike fitting, dinner in the “Sassi” of Matera

Arrive in Matera, unique in all of Italy for the cave dwellings that ring the central city. Inhabited by refugee clerics and monks from Greece and the Balkans during the 8th and 9th centuries, the cave churches and domestic dwellings carved into the town's calcarenite or semi-sandstone cliffs at one time housed as many as 25,000 people. Today, the churches and caves are preserved as a World Heritage Site as being the “most outstanding, intact example of a cave-dwelling settlement in the Mediterranean.” Settle into our hotel and enjoy our welcome dinner after fitting bikes.

### Matera

**Highlights** Guided walk of the Matera's “sassi”, Appian Way

We'll start the morning with a loop ride exploring Matera's surroundings. Sights along the way include the fortified Massaria Jesce, which was an ancient Roman “post office” on the Appian Way - one of the most important Roman Roads. We'll also visit the cave crypt of San Michele Arcangelo with frescoes dating to the 14th century. This afternoon features a guided walk exploring Matera's history including a typical sassi, a cave dwelling house. Fodor's has described the sassi as “one of the most unique landscapes in Europe,” on this tour we'll gain a better understanding for the living conditions of what is believed to be one of the first human settlements in Italy.

### Locorotondo

**Highlights** Gioia del Colle, Trulli, vineyards, Locorotondo

Today we shuttle from Matera to Gioia del Colle, famous for one of Frederic II castles. Start cycling and enjoy this ride through olive groves and vineyards on the way to the “Valle d'Itria” which is the heart of Puglia's trulli region. Trulli are conical shaped dwellings unique to this part of Italy. Originally used as storage sheds for farmers, they quickly became popular as temporary shelters. Our destination is the small but vibrant town of Locorotondo which we'll call home for the next two nights. This afternoon get lost in the whitewashed maze of lanes and historic buildings towering over them.

Destroyed by Hannibal during the Punic Wars in 1st and 2nd Centuries BC, Ostuni was rebuilt by the Greeks and takes its name from them as "Astu néon or "new town". Rebuilt by the Normans in the 10th Century, Ostuni then flourished during the Italian Renaissance under Duchess Isabella of Bari. This is an imposing and beautiful city from afar and within.

#### Gallipoli

**Highlights** Ceramics of Grottaglie, Ionian Coast, ancient Gallipoli

It's a relaxing and pleasant ride this morning to Grottaglie, Puglia's most famous pottery town. Be sure to visit one of the many local studios and learn about their painting and firing techniques. The abundant clay in this area, has long been an economic driver for the town. During the 18th century, there were over 42 ceramic related companies in Grottaglie which employed more than 5,000 people. Once your pottery curiosity has been satisfied, we'll have lunch together in a typical osteria in Grottaglie before shuttling to the coastal town of Gallipoli. Our hotel is located near the heart of old Gallipoli, a small island connected to the mainland by a bridge.

On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. If you would like us to provide you with a used helmet, please contact us.

## NAVIGATING, DAYSHEETS AND VAN SUPPORT:

Each day you'll receive a daily briefing with a highlighted route map. About 14 days prior to your tour, we will provide you with access to RideWithGPS Experiences, our platform

to distribute information on each tour day's activities, meals and ride, as well as GPS-routes.

On Classic, Bike and Boat and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks. On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

**Need More Miles?** On many days it is possible to add miles to the day, just talk to your tour leader about your options.

**Need Fewer Miles?** If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

## TIPPING YOUR TOUR LEADER TEAM:

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler — this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. \*Tips are included in Expedition pricing.

## PHOTOS:

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or that are taken by our guides or other travelers, in any medium, including but not limited to print, electronic media, or Internet, free of charge and without your right to inspection. If you do not want us to use any images of you, you must inform us or your tour leader in writing at the start of the tour.
