

Bicycle Tours in France: **Bicycling the South of France Plus!**

OVERVIEW

The South of France or Languedoc region as it is known has always been a border region - between Spain and France, the Atlantic and the Mediterranean, and, in ancient times, between Rome and northern Gaul. Today it is classic Mediterranean France with vast expanses of vineyards, vestiges of Roman history in Nimes and Narbonne, and a mix of languages that include classic French, traditional Occitan and Catalan. Join us to bicycle and explore this little traveled region on roads not much wider than bike paths.

If this sounds great but you'd like a shorter tour, check out our [Bicycling the South of France](#) tour, which shortens this itinerary by 3 days.

HIGHLIGHTS

Nimes, Bamboo Forest Reserve, Carcassonne, Great bicycle rides, St. Guilhem le Desert, Canal du Midi, Cathar castles, Kings of Majorca and St. John's Cathedral

Bicycle Tours in France: Bicycling the South of France Plus!

Arrive in Nîmes

Highlights Roman buildings including the amphitheater or "Arena" and the Maison Carrée, a Roman temple in the Center of Nîmes

Our tour begins today in Nîmes, one of several cities founded along or near the Rhone River by the Romans in the first and second centuries B.C. Take time to visit the best-preserved Roman amphitheater in France, the "Arena" which is still used for Provençal style bull fights and the Maison Carrée, a perfectly preserved Roman temple dating to 16 BC. We'll fit bicycles this afternoon and suggest a warm up ride of 5-15 km (3-9 miles) for those who wish. We have a welcome dinner together this evening.

DAY 1: Sat, Aug 27th

Meals Dinner

Lodging  Novotel Atria Nimes Centre

Bicycle from Nîmes to Anduze

Highlights Mediterranean villages, lavender, sage, rosemary, Costières de Nîmes wines

We ride west into Languedoc through small wine villages of the Costières de Nîmes today. Aromatic drought resistant scrub bushes and plants, including lavender, sage and rosemary, dot the landscape. Our hotel is in the foothills of the Costières de Nîmes a few kilometers outside of Anduze. If you are interested in plants take time to visit the Bamboo Forest that you'll pass by just before our hotel. It hosts a fascinating collection of exotic, tropical plants including 150 species of bamboo, Sequoia and banana trees.

DAY 2: Sun, Aug 28th

Distance 59 km (37 mi)

Gain 784 m (2572 ft)

Terrain Rolling hills

Meals Breakfast, Dinner

Lodging  L'Auberge les 3 Barbus

Loop ride in the Cévennes

Highlights Tiny mountain roads, Alés

We pedal in the foothills of the Cévennes Mountains where you'll have spectacular views and a gentle pace as we explore medieval villages that seem frozen in time. It was in the high Cévennes that Robert Louis Stevenson walked with his donkey, Modestine, and wrote his classic Travels with a Donkey. Plan to enjoy lunch in Alés, an important town in the Protestant fight for religious freedom, and home to Alphonse Daudet, and Louis Pasteur.

DAY 3: Mon, Aug 29th

Bicycle Tours in France: Bicycling the South of France Plus!

Ride from Anduze to St-Guilhem-le-Désert

Highlights One of our favorite bicycle rides anywhere, Market day in St Jean du Gard

People who have ridden today's route tell us it is one of the prettiest rides on any of our tours. Enjoy traffic-free roads not much wider than a bike path, and get picnic supplies at one of the most charming local outdoor markets we know. We leave the Cévennes mountains behind as we glide downhill through the gorge of the Herault River to St-Guilhem-le-Désert ("desert" because it is the only village for as far as the eye can see).

Bicycle St-Guilhem-le-Désert to Sète

Highlights St-Guilhem-le-Désert, oyster beds, the Mediterranean Sea

It's an easy ride to the Mediterranean coast today, so take some time to explore more of St. Guilhem's medieval atmosphere. Here, in 904 AD William of Gellone established a monastery. The village still retains an ancient Medieval atmosphere. Part of the cloister from the monastery was moved to Manhattan in the 1930s and is now "The Cloisters" portion of the Metropolitan Museum of Art. Stop in St. Guilhem for coffee and a stroll before heading on to the Mediterranean Sea. Our approach to the delightful seaside town of Sète will be via ferry and you'll visit the famous oyster and mussel beds of the Etang de Thau.

Lodging  Grand Hotel de Sete

Bicycle from Sète to Narbonne

Highlights Roman Narbonne, Narbonne's 13th century cathedral, Canal du Midi

We're on the road again today among vineyards and farmland as we head to the ancient Roman city of Narbonne. Narbonne was built along the Via Domitia, the Roman road that connected Italy with Spain during the second century B.C. when Rome expanded beyond the Alps. We'll bypass the busy city of Beziers and ride along the famous Canal du Midi. The canal connects Atlantic France with the Rhone River and Mediterranean France. Narbonne was and continues to be a major transportation corridor on the great coastal plain of Languedoc.

Bicycle Tours in France: Bicycling the South of France Plus!

Bicycle from Narbonne to Carcassonne

Highlights Small country roads, Corbières vineyards, Canal du Midi, Carcassonne

Our leisurely ride today takes us across the flat plains of Languedoc to the perfectly preserved late Medieval town of Carcassonne. This corridor between the Atlantic and the Mediterranean, bounded on the south by the Pyrenees Mountains, has been an important transportation route since pre-Roman times. Completed in the 13th century, the famous walls of Carcassonne were restored in the late 19th century. Before dinner, we'll explore Carcassonne's narrow ancient alleyways with a local guide.

Lodging  [Hotel Le Montmorency](#)

Loop ride out of Carcassonne

Highlights Carcassonne

Take a loop ride north of Carcassonne today toward the "Montagne Noire." Like the Cévennes, "Black Mountain" is a part of France's central mountains, the "Massif Central." Depending on how far you venture, you may begin to see the transition zone where Mediterranean vegetation begins to give way to a wetter, more Atlantic vegetation zone. Today's ride should leave you plenty of time to wander the Medieval streets of Carcassonne.

Bicycle from Carcassonne to Cucugnan

Highlights Vineyards, Cathar castles, river gorges and beautiful vistas in the foothills of the Pyrenees

Some vintners in Limoux would have you believe that they produced sparkling wines even before Champagne did. We'll ride through this wine region south of Carcassonne as we enter the foothills of the Pyrenees Mountains. Today's ride features meandering river valleys, steep sided gorges, and perched Cathar castles. Bicycling has been a part of the local culture since the Tour de France came through here in 1909. Our destination is the small town of Cucugnan.

Bicycle Tours in France: Bicycling the South of France Plus!**Bicycle to Perpignan**

Highlights Queribus castle, Cathar castle ruins, Perpignan Cathedral

In Nîmes we were on the border of Provence and Languedoc where Occitan was the historic language. Today we pedal out of the Pyrenees to Perpignan and enter another border region between France and Spain where Catalan is the second language. The bicycling here is exhilarating and the culture unique to this corner of France. In Perpignan you'll want to visit the palace of the Kings of Majorca and St. John's Cathedral, both built by Spanish kings who controlled the region off and on over four centuries. We'll enjoy a special final dinner together this evening.

INCLUDED**WHAT'S INCLUDED**

When you book a tour with ExperiencePlus! our goal is to ensure your only focus each day is to hop on your bike and explore scenic cycling routes in new destinations. Inclusions may differ depending on which tour style you pick but all ExperiencePlus! tours include the three most important aspects of a guided bike tour.

- Superb tour leaders who are fun and multilingual, bi-cultural experts, and cycling enthusiasts. They will support you and help you navigate confidently on and off the road.
- High quality bikes selected for the terrain you are cycling on and correct bike fitting to ensure comfortable cycling. More details on our [bikes page](#).
- Thoughtfully designed itineraries and routes that take advantage of stunning cycling destinations and the freedom of bicycle travel.

PRE-TRIP SUPPORT

- Bicycle training programs designed specifically for your tour and fitness level.
- Planning tips on what to pack, hotel recommendations and other helpful details from our [Travel Planning Pages](#).
- A gift of your choice (cycling jerseys, socks, or a t-shirt) as our way of saying thanks for choosing ExperiencePlus!
- *Traveler services including assistance booking extra nights at the tour starting and ending hotels. (*Not included on Explorer Tours.)

ON TOUR

- See "What's Included" on your tour Itinerary for tour-specific inclusions.

BICYCLES

For a full list of what's included with your bike see [Our Bikes page](#). If you would like to bring your own pedals and shoes we recommend doing so. On Explorer tours we include a GPS device on all bikes. We ask that you bring your own helmet to ensure the best fit. Please ask if you would like us to provide you with a gently used helmet and we will do so.

NAVIGATING, DAYSHEETS AND VAN SUPPORT:

Each day you'll receive a daily briefing with a highlighted route map and daysheet (print or digital) that includes information on the day's activities, meals and ride. Daily information also includes Tour Leader phone numbers, hotel information and interesting historical and cultural information.

You'll receive a highlighted route map each day or a briefing with the GPS tracks. On Classic, Bike and Boat, Spotlight and Expedition tours we also navigate using our signature chalk dust arrows. Our arrows make navigating very easy—you may never need to look at the map. On Explorer tours the terrain and destinations are not always conducive to using chalk arrows so we'll ride as a group or you can navigate on your own with the GPS tracks.

Before each tour we offer the opportunity to download GPS tracks of most tour routes to your personal GPS device or smartphone using RideWithGPS.com. We do not provide GPS tracks for tours in South America.

On tour you will have a support van providing water and snack resupply, mechanical assistance, a lift for tired cyclists, and luggage transfers. On some itineraries the van will not be able to follow sections of the route that stray from the road for example onto cycling paths.

Need More Miles? On many days it is possible to add miles to the day, just talk to your tour leader about your options.

Need Fewer Miles? If you aren't sure about your abilities or how much you want to ride remember the support van is available to offer snacks, encouragement, a lift over the next hill, or to the next hotel. You are on vacation and we're here to help make it perfect for you.

TIPPING YOUR TOUR LEADER TEAM:

If you feel your tour leader team has demonstrated great expertise and service, common practice within the travel industry is to tip. Tipping is voluntary and greatly appreciated, and gratuity amounts vary widely. Should you decide to leave a tip, as a guideline, we suggest 5% of the tour cost per traveler – this is for the entire tour leader team, not each tour leader. You can give the tip to any member of the tour leader team, as they share it evenly. In order to avoid social tensions, we encourage you to tip as individuals and not as a group. If you feel your tour leaders did not quite meet your expectations, please let us know. *Tips are included in Expedition pricing.

PHOTOS:

By reserving space on tour, you agree that ExperiencePlus! may use, re-use and reproduce any images, photos or videos sent to us, or taken by our guides or travelers free of charge and without your right to inspection. If you do not want us to use any images of you on tour, you must inform your tour leader in writing at the start of the tour.

We recommend looking at the daily summary on the PDF and Website Itinerary to see details about each day's ride.

This day will be mostly flat and the distance will rarely exceed 30 km.
