

# What's the right tour for your family or group?

Is anyone in your family new to bicycle touring?

START HERE

Is anyone in your family needing shorter average daily miles or more than one day off the bike?

Is everyone in your family comfortable riding off-road/gravel?

Are they energetic and ride bikes?

Do they like to climb hills or prefer long days in the saddle?

Do they like long tours, hill climbs, or mountainous terrain?
